Guidelines for Donated Items

When considering items to donate to New Life Directions, please keep in mind that we want to treat our families with the respect and care they deserve, as they have been created in the image of God.

- Used clothing & items should be clean and in good shape.
- Donated items should be pet-free and smoke-free.

Please call or text Kayla Gregory at 502-290-3386 with any questions or to set an appointment for your donation. All donations are to be delivered to our Single Moms Training Center at 10615 Dixie Highway in Louisville. We are happy to unload your vehicle and provide a donation receipt for tax purposes.

Would you like to organize a donation drive?

If you are interested in organizing a donation drive with your group or church to help with any of the items above, we would love to hear from you and help you coordinate those efforts! Please call or text Kim Miller at 502-418-4493 with any questions and discuss your donation drive.

Do you have a vehicle you would like to donate?

We have a great need for donated vehicles for our single parents to work, take their children to school/daycare, and run errands. A vehicle gives them the opportunity to become self-sufficient and independent, achieving success for themselves and their children. Please call or text Kim Miller at 502-418-4493 with any questions and discuss your vehicle donation.
